Subject: Discussion today

Hi all,

I apologize for not emailing you all sooner. I am still planning to have our call today.

The main agenda item will be to discuss the time frame of the model and the critical period for DO. I have posted a brief summary of our current thinking on the PartnerWeb site. I realize it's late to be sending this to you, so we can discuss over the phone – but this way you can follow along.

Here is a direct link:

https://partnerweb.ecy.wa.gov/sites/WQ/buddtmdl/Shared%20Documents/Memos/2017.07.05_CriticalPeriodDO_edit.d.docx

Or you can find it on the site (<https://partnerweb.ecy.wa.gov/sites/WQ/buddtmdl/SitePages/Home.aspx>) under memos.

I also just posted notes from our last call – sorry for not getting those up sooner.

Talk to you soon,

Leanne
